RE: Certificate of Deposit for Western Tar Sands, Inc.,  
Raven Ridge Project, ACT/047/016, Uintah County, Utah

Attached please find the original cashier's check #0407469 from First Interstate Bank made payable to the order of "Utah Division of Land & Forestry or Western Tar Sand, Inc." In my discussion with Mr. Larry Richardson at the State Treasurer's Office, he said that the best way to proceed with getting a \$2,000.00 Certificate of Deposit (CD) payable to the Utah Division of Oil, Gas and Mining and Western Tar Sands, Inc., would be to:

1. Return the cashier's check to the Division of State Lands & Forestry for deposit at the Treasurer's Office;
2. Mr. Richardson at the State Treasurer's Office will purchase a \$2,000.00 CD payable to the Utah Division of Oil, Gas and Mining and Western Tar Sands, Inc. This certificate should be a 36-month certificate;
3. Mr. Richardson will keep the CD at the Treasurer's Office for safekeeping. He will send a copy of the CD to the Division of Oil, Gas and Mining for our records.

If you have any questions about this, don't hesitate to call me.
